**Archival History:** This collection consists of material concerning proceedings of the Douglas County Water Advisory Board, compiled by Sally Maguire, a member of the Douglas County Water Advisory Board from 1990-1995. It was donated to the Local History Collection in 1995.

---

**Scope and Content / Abstract:**

The Douglas County Water Advisory Board was established by resolution in April 1987 to address short and long term water needs of Douglas County and to advise the Board of County Commissioners concerning water resource issues in the County. The Advisory Board was composed of members of the scientific, legal, water resource, agricultural, land development and water supply fields. It was dissolved in 1995 by the Board of County Commissioners.

This collection consists of minutes, correspondence, and brochures. It also includes a copy of the 1981 Colorado Front Range Project paper entitled: Water, understanding the future: a folio of discussion papers and background resources and a copy of the Board's 1989 report entitled: Water: supply, demand and institutional needs of Douglas County.
